

## Instructors

---

Tom Lindner - (Badger meter)  
Tom is a Sales Support Manager in the Central Region for Badger Meter, Inc. (BMI). Badger Meter has employed him since March 1, 2004. Tom has many years experience in customer service, training, technical support, marketing, project management and sales management. Currently, he is responsible for three District Sales Managers, one National Account Manager, and nine Distributors in nine states. Tom has led Badger Meter in managing seven distributors in three successful years of Orion sales and installation project management for distributors and utilities within the market. Tom has organized Badger Meter and third party personnel to implement installation projects of its Orion product. Tom has also been Project Manager for Galaxy the AMI product for Badger Meter.

Tom has taught courses in metering systems, meter sizing and selection and maintenance, as well as automatic meter reading for water works organizations in the United States.

**Badger Meter, Inc** is a leading marketer and manufacturer of products using flow measurements and control technology, serving industrial and utility markets worldwide. Its products are used to measure the flow of liquids in a variety of applications. Founded in 1905, Badger Meter has earned an international reputation as a leader in development of flow measurement technology.
