Sampling

The background of the slide is a blue-tinted photograph of a vast, calm ocean extending to the horizon. The sky is filled with soft, wispy clouds, and the water's surface shows gentle ripples. The overall mood is serene and expansive.

Chlorine Test kits

The background of the slide is a vertical gradient of blue. The top portion shows a sky with soft, wispy white clouds. The bottom portion shows the surface of a body of water with gentle ripples, creating a shimmering effect. The overall color is a rich, deep blue.

Fluoride Testing

The background of the slide features a serene landscape. The upper portion shows a bright blue sky with wispy white clouds. The lower portion shows a vast, calm body of blue water with subtle ripples on its surface. The overall color palette is dominated by various shades of blue, creating a clean and professional aesthetic.
