

AWWA Distribution Committee Collection

Catalog Number	Title	Publication Year	Format
TA100.AWWA.G200	Distribution Systems Operation and Management Standard G200 (AWWA)	2004	Print
TD345.H1	How Water Works An Interactive Tour	2008	CD
TD405.W1	Water Supply Operations Distribution Systems	2007	DVD
TD427.C66	Evaluation of the Effects of Electrical Grounding on Water Quality	1994	Print
TD462.O68	Optimizing Chloramine Treatment	1993	Print
TD462.V35	Chloramine Decomposition in Distribution System and Model Waters	1998	Print
TD481.W3	Water Distribution Operator Training Handbook	2005	Print
TD482.A87	Assessing and Controlling Bacterial Regrowth in Distribution Systems	1990	Print
TD482.B33	Bacterial Regrowth in Distribution Systems	1988	Print
TD491.A42	Unidirectional Flushing	2002	DVD
TD491.A45	Implementation And Optimization Of Distribution Flushing Programs	1992	Print
TD491.A49.M03	Safety Practices for Water Utilities	2002	Print
TD491.A78	Assessment of Existing and Developing Water Main Rehabilitation Practices	1990	Print
TD491.C49	Chemistry of Corrosion Inhibitors in Potable Water	1990	Print
TD491.D68	Control of Water Quality Deterioration Caused by Corrosion of Cement Mortar Pipe Linings	1991	Print
TD491.D87	Effects of Electrical Grounding on Pipe Integrity and Shock Hazard	1996	Print
TD491.I55	Internal Corrosion Of Water Distribution Systems	1996	Print
TD491.K56	Assessment of Water Distribution Systems and Associated Research Needs	1994	Print
TD491.M633	Evaluation of Polyvinyl Chloride PVC Pipe Performance	1994	Print
TD491.R1	Review of Water Industry Plastic Pipe Practices	1987	Print
TD491.R65	Role of Inorganic Anions NOM and Water Treatment Processes in Copper Corrosion	1996	Print
TD491.T48	Water Utility Experience with Plastic Service Lines	1992	Print
TD491.W1	Water Distribution System Assessment Workbook	2005	Print
TD499.S1	Safety Now Dog Attacks	2000	DVD
