

# Educational Exhibit Tours!

*Unique Opportunity to Explain Your Product and/or Services and Help Clients Earn Contact Hours While At Your Booth.* On Tuesday, May 5 & Wednesday, May 6, 2009 during the **ORWA Annual Conference & Exposition** in Newark, Ohio, exhibitors will have a unique opportunity to display/explain their products or service and help participants to earn OEPA Contact Hours (subject to OEPA approval). Presenters are sought to cover highlights of new products, services, or solutions. Each presenter will be allowed 30 minutes(or more if you desire) to speak **at their booth**. In order to obtain approval from OEPA, the presentation **must** be educational in nature. Please complete and submit this form if you have an interest in this activity. Please remember to include an outline of what will be discussed as well as your Bio.
