BASIC WASTEWATER TREATMENT

The Basic Wastewater Course is designed for operators or individuals interested in plant operations that lack experience or background in wastewater treatment. It will help to acquaint students with terms, equipment, mathematics, and procedures used in the treatment and processing of wastewater.

Textbooks included for classroom & correspondence: Basic Wastewater I Workbook (OTCO 2010), Operation of Wastewater Treatment Plants Volume I, 7th Edition & Volume II, 7th Edition (CSUS), Ohio EPA Needs To Know Criteria, Rules of The Ohio Administrative Code (OAC) administered by the Division of Surface Water (8/2007) abridged for 2008.

EFFECTIVE 7/1/09: Includes textbook Basic Science Concepts & Applications for Wastewater.

ADVANCE WASTEWATER TREATMENT

The Advance Wastewater Course is designed for operators who have successfully completed the Basic Wastewater Course. Attendees should have sufficient prior training and experience to comprehend the basic theory & mathematics of wastewater treatment or passed the Ohio EPA Class I Operator’s examination. This is combining the original OTCO Wastewater II & III course material.

Textbooks included for classroom and correspondence: Advance Wastewater Workbook (OTCO 2010), Advance Wastewater Treatment (CSUS 5th Edition), Recommended Standards for Wastewater Facilities 2004 (abridged), Ohio Needs To Know Criteria, Rules of The Ohio Administrative Code (OAC) administered by the Division of Surface Water (8/2007) abridged for 2008.

WASTEWATER COLLECTION SYSTEMS

The objective of this course is to provide comprehensive training to personnel, engaged in wastewater collection systems (WWCS) operation and maintenance covering the following: inspecting & testing collection systems, pipeline cleaning & maintenance methods, underground repair & new construction, lift stations & equipment maintenance, administration, and organization for systems operation & maintenance.

Textbooks included for classroom and correspondence: Operation & Maintenance of Wastewater Collection Systems Vol. I & II (CSUS 6th Edition), Recommended Standards for Wastewater Facilities 2004 (abridged), Training Guide Basic Math Handbook (ORWA), Brief Companion to Basic Math Handbook (OTCO), Needs To Know Criteria for WWCS, Rules of The Ohio Administrative Code (OAC) administered by the Division of Surface Water (8/2007) abridged for 2008.
